

**Soccer Without Borders Bay Area  
Program Coordinator  
San Francisco CA**

As one of the few global languages, soccer has the power to shape the world for the better. Soccer Without Borders (SWB) uses soccer as a vehicle for positive change, providing under-served youth in the U.S. and abroad with a toolkit to overcome obstacles to growth, inclusion, and personal success. Founded in 2006, Soccer Without Borders has reached over 15,000 young people in 12 countries on four continents and has been recognized with the FIFA Diversity Award, the Lipman Family Prize, and the Robert Wood Johnson Sports Award. With a focus on social inclusion of newcomer youth and girls, our holistic programs provide participants with a platform for positive engagement, an avenue for personal growth, and a toolkit for a brighter future

**About Us**

Our vision is to build a more inclusive world through soccer, where all youth have the opportunity to reach their inherent potential. Newcomer youth are one of the most underserved populations in the United States today, facing complex barriers to integration, academic success, and leading happy and healthy lives. SWB's model includes four organizational lenses: access and inclusion, health, youth development, and trauma-informed practices, each representing a body of research that informs our program design. Our programs integrate three pillars of soccer, education, and community, supporting our participants to grow, adjust, and be successful.

SWB Bay Area has been serving the newcomer community in Alameda County since 2006. The organization works with middle and high school students during the school year, and elementary, middle, and high school students in the summer months. After-school programming integrates English Language Development with soccer and academic support. High school programming also offers college preparation workshops to prepare high school participants for the future.
