

Soccer Without Borders Uganda

META QUEST 2, 3, & 3s VIRTUAL REALITY HEADSETS CALL FOR SUPPLIER BIDS

Soccer Without Borders Uganda is a refugee-led, football-for-good organization. Since 2008, SWB Uganda has been serving refugee and local youth in Nsambya by advancing the social inclusion of refugee and displaced youth across the country. SWB serves over 350 refugee youth daily. Our mission is to use soccer as a vehicle for positive change, providing underserved youths and girls with toolkits to overcome obstacles to growth, inclusion, and personal success. Currently, we support out-of-school refugee youth daily from 7 nationalities in Nsambya Gogonya, with essential English literacy classes, life skills, and trauma-informed football in a double-shift programming model to support their integration into Ugandan society and prepare them for formal school through football, education, and girls' empowerment programming with an additional 950+ youth reach through community football leagues and tournaments.

To continue supporting and strengthening education outcomes for out-of-school refugee youths in Kampala, Soccer Without Borders is implementing an innovative Refugee Education Via Immersive Virtual Environments - REVIVE Lab at its Youth Center in Nsambya, thanks to a partnership with UNHCR Refugee-Led Innovation.

Soccer Without Borders Uganda is hereby calling for supplier applications from suitable companies in this procurement exercise, and providing 10 (ten) Virtual Reality (VR) Headsets and accessories to implement educational VR activities for our REVIVE Lab.
