Independent Auditors' Report

To the Board of Directors of
Soccer Without Borders

We have audited the accompanying financial statements of Soccer Without Borders (a national nonprofit organization), (the Organization), which comprise the statements of financial position as of July 31, 2017 and 2016, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of July 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

July 31, 2017 and 2016

(1) Summary of Significant Accounting Policies

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The significant accounting policies followed by Soccer Without Borders (the Organization) are described below to enhance the usefulness of the financial statements to the reader.

(a) Nature of Activities

Soccer Without Borders (the Organization) was formed for charitable purposes as a 501(c)(3) nonprofit which aims to build a more inclusive world through soccer. The Organization runs year-round, youth-development programs in under-served areas in the United States and abroad, providing young people with the skills and support they need to reach their full potential. Currently, the Organization has two major areas of focus: newcomer youth and girls. Newcomer refugee, asylee, and immigrant youth and adolescent girls are two of them most vulnerable populations in the United States and around the world today. First beginning programming in 2006, the Organization provides free after-school and summer activities to youth from over 60 nations, living in some of the world's most challenging urban areas, where youth are disproportionately at-risk for academic failure, gang recruitment, depression, diabetes, unplanned pregnancies, drugs, and other unhealthy choices and circumstances.

The Organization's mission statement is to use soccer as a vehicle for positive change, providing underserved youth with a toolkit to overcome obstacles to growth, inclusion, and personal success. Its holistic, evidence-based model combines soccer practices and games with academic and language support, civic engagement, and cultural exchange activities, while proactively reducing barriers to entry that typically leave newcomers excluded. Together in a welcoming team environment led by a caring mentor-coach, under-served youth advance academically, develop personally, make healthy lifestyle choices, build social capital, and develop English language skills. The balance and dosage of these activities creates a powerfully influential environment that is focused on the development of the whole person over many years.

(b) Basis of Presentation

The statements of activities report all changes in net assets, including changes in unrestricted net assets from operating activities. Operating revenues consist of those monies received and other contributions attributable to the Organization's ongoing efforts.

(1) Summary of Significant Accounting Policies - continued

(c) Standards of Accounting and Reporting

The Organization's net assets (excess of its assets over liabilities) and its revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

The statements of financial position present three classes of net assets (unrestricted, temporarily restricted and permanently restricted) and the statements of activities display the change in each class of net assets. The classes of net assets applicable to the Organization are presented as follows:

Unrestricted - Unrestricted net assets are not subject to donor imposed restrictions. Unrestricted net assets consist of assets and contributions available for the support of operations. Unrestricted net assets may be designated for specific purposes by management or the Board of Directors. Gains and losses on investments are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or law.

Temporarily Restricted - Temporarily restricted net assets are subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

(d) Cash and Cash Equivalents

The Organization considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

The Organization maintains its cash balances at one financial institution located in Massachusetts (MA). The cash balances are insured by the Federal Deposit Insurance Corporation. At times these balances may exceed the federal insurance limits; however, the Organization has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these cash balances as of July 31, 2017 and 2016.

(e) Revenue Recognition

The Organization earns revenue as follows:

Grants - Grants are recorded as revenue as costs related to the services provided are incurred.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies - continued

(e) Revenue Recognition - continued

Contributions - Contributions are recorded upon receipt or pledge as unrestricted or temporarily restricted support depending on the existence and/or nature of any donor restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

Donated Property and Equipment – Donations of property and equipment are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. The donations are shown as in-kind donations on the statement of activities.

Donated Services – Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by individuals with those skills, and would otherwise be purchased by the Organization. The Organization leverages more than 630 volunteers annually for program and fundraising services. These are not recognized as contributions in the financial statements since the recognition criteria were not met.

Special Events - Special event revenue is primarily derived from contributions collected and fees charged for admission at various sponsored events. Special events revenue is recognized when earned. Special events are incidental to the Organization's operations and the related direct expenses have been reported with fundraising expense on the accompanying statements of activities.

Program Service Fees - Program service fee revenue refers to fees for international exchange trips. Revenue is earned and recognized by the Organization when units or services are provided and billed.

Deferred revenue represents contract income received prior to year-end. These amounts are deferred and recognized when the service is performed.

(1) Summary of Significant Accounting Policies - continued

(e) Revenue Recognition - continued

Substantially all of the Organization's revenue is derived from its program activities in MA, CA, CO, and MD. During the year ended July 31, 2017, the Organization derived approximately 66% of its total revenue from foundations and individual donors, 21% from governmental agencies, and 13% from other sources. During the year ended July 31, 2016, the Organization derived approximately 68% of its total revenue from foundations and individual donors, 24% from governmental agencies, and 8% from other sources. All revenue is recorded at the estimated net realizable amounts.

(f) Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to an allowance for doubtful accounts based on a history of past write-offs and collections and current credit conditions. As of July 31, 2017 and 2016, management has determined any allowance would be immaterial.

As of July 31, 2017 and 2016, 100% of the Organization's accounts receivable were due from foundations and corporations.

(g) Fixed Assets

Vehicles are recorded at cost or if donated, fair value on the date of receipt. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of activities.

The Organization computes depreciation using the straight-line method over the following estimated lives:

Vehicles	3 years
----------	---------

(h) Fundraising Expense

Fundraising expense relates to the activities of raising general and specific contributions to the Organization and promoting special events, including time and funds allocated to grant-writing and reporting, awareness-raising, and specific campaigns and events. Fundraising expenses as a percentage of total contribution and special event revenue were 9% and 13% for the years ended July 31, 2017 and 2016 respectively. The ratio of expenses to amounts raised is computed using actual expenses and related revenue on an accrual basis.

Notes to Financial Statements

July 31, 2017 and 2016

(1) Summary of Significant Accounting Policies - continued

(i) Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are allocated to programs and supporting services. Administration expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Payroll and associated costs are allocated to functions based on actual time studies. Occupancy costs are allocated based upon associated FTEs.

(j) Use of Estimates

In preparing the Organization's financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(k) Income Taxes

The Organization qualifies as an organization formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code (IRC) and is generally not subject to income tax. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization is not a private foundation under Section 509(a)(1).

Temporarily restricted net assets consist of resources available to meet future obligations, but only in compliance with the restrictions specified by donors. As of July 31, 2017 and 2016, temporarily restricted net assets are restricted for the following purposes:

	<u>2017</u>	<u>2016</u>
