

Making a Charitable Stock Donation

Thank you for your interest in making a charitable stock contribution to Soccer Without Borders. Donating stock you have owned for more than one year and that have appreciated in value can yield significant tax benefits beyond those of making a cash donation. Stock donations to nonprofit organizations are not taxed; both the organization and the donor receive full fair market value for the donation and the charitable tax deduction.

Please see our guide below to make a stock donation.

How to Make a Stock Donation

1. In order to process your donation most efficiently, please first contact Lucas Richardson at lrichardson@soccerwithoutborders.org cc: finance@soccerwithoutborders.org to inform us of your intent to donate stock and to provide the following:
 - a. The name of the stock
